

## IVAN NMR Users Group

Sponsored by MR Resources and Q.One Instruments

### ***IVAN, Again Live from Asilomar!***

**Announcing the 2023 IVAN user meeting on Saturday April 15th just  
before the 64th ENC.**

Mark your calendar for this year's IVAN user meeting, which will be held in-person in the IVAN suite at Asilomar. We will also broadcast the meeting on Zoom and You Tube Live-Stream. The date is Saturday April 15th, the day before the ENC. We convene at 8:30 AM PDT for coffee and continue through the day to conclude with an afternoon reception.

As usual, our meeting and broadcast will be relaxed and fun with great talks and many prizes. Coffee, snacks and lunch will be served to all of you who make it to Asilomar in-person! Join us at Asilomar or on-line.

This year we present the third annual IVAN Founders award. Nominations are open now until March 23rd. Once again, the prize is an engraved MOVA globe and now a check for \$2500.

Our topics include liquids solids and bio-NMR. Look for the opening of registration and the complete agenda later this month. As with last year, IVAN will have its own ENC hospitality suite. This year it is Oak Shelter, which is located east of Asilomar Avenue near Kiln and Hearth. The suite will open Saturday morning for the IVAN meeting and then continue to be open in the evenings, Sunday through Wednesday! Look for our evening events for more conversation, fun and prizes. IVAN shares Oak Shelter with our sponsors, MR Resources and Q.One Instruments.

After four hard years, it is great to meet again in-person at Asilomar! We expect a lively crowd at Oak Shelter on Saturday and a great group online. Join us!

Sign Up Here to join us in person or via Zoom:
